Eren Richard

Oh, wait...  
He's dead.

Caroline's Marquise  
Head of the Rochard Family  
Tasha Rochard

Or rather, he  
became *discolored*,  
but that's essentially  
the same as being  
dead!

Good  
dinner at!

He must've  
received an order  
directly from the king  
if he left him alive.

Why didn't I  
ask about it...?

**BECAUSE I DIDN'T  
THINK THINGS WOULD  
TURN OUT THIS WAY,  
THAT'S WHY!!**

LONE MANGA

That girl was  
Scriven's final  
moments!

I need to meet  
her in person. Get  
ready to go out!

I'll find out...

Fabian's expect him to  
kill Count Stenro...

and is proceeding  
with his plans.

It's time to shake the  
Kingdom's foundation.

Prepare for  
our flight.

We're heading  
to Lothering.

Uhh

What is...  
"Room Service"...

First time in a hotel

LUNE MANGA

Let's go out,  
I'll explain it to you  
while we dine.

Dragon contest  
scheduling...

taken place in  
Vespene Auction  
from time to time  
during the chaos.

However there's  
also a catalogue in  
Vespene Library.

Are  
catalogue?

Well, it's  
been tradition to  
confuse people, but  
since you know the  
trick, it's quite easy  
to solve.

They've  
been refusing our  
requests for quite  
some time.

LONEMANNA

Let's  
go there to  
resolve

Sure

Tatung Square

Isk, ask Tiffa let  
that slave escape?  
Which merchant does  
he belong to?

Should they take  
either one of them  
before the auction?

I didn't expect to  
see something so  
disgusting today.

## LONE MANGA!

That merged list  
means they are working  
legally under the law.

I've told  
you before - It's  
legal here,

so please do  
not mistreat them.

A little bit of  
kindness won't change  
the world.

Please take  
note of your  
surroundings.

I don't feel  
very good...

But more importantly, it does not have a future

Due to the Algeen's decreasing population, they've been paying immigrants from the old continent for slaves.

However, they tend to break free and escape.

They also made a special law because of this.

At this point, there is only one thing to control other slaves. They're no longer for the workforce.

Not only that, technology for medicine, food and everyday living advances day by day.

Soon, we will come to a time where slaves will no longer be needed.

LONE MANGA!

Eventually the very concept of slaves will be wiped from the horizon within a couple of generations.

Thanks to our  
technology, we  
will be able to  
eradicate  
slavery.

Central Meeting Place

I'll get no  
regretted, so  
please wait a  
moment.

I've heard that there's  
a festival, so everyone  
is all dressed up.

but that person  
was wearing such  
fine clothing...

What are you  
saying? Aren't you  
being made to someone  
you've never met?

What... What's  
with this  
person?

What the hell?  
Café girl

It looks like I'll  
have to erase another  
human's memory...

I had  
thought if you  
were with me

Lady Minka,  
I see you've  
found something  
interesting.

LONE MANGA

My fancy  
seeing you here.
